In "Dorothy Of Oz," Dorothy returns to Kansas to find it devastated by the tornado that had whisked her away to Oz: The home she has been so desperate to return to is severely damaged, and the townspeople are packing up and moving out. But shortly after arriving in Kansas, Dorothy is magically transported back to Oz.

This story tells what happened in Dorothy's absence and made her return necessary.

Special thanks to Travis Rutherford, Kristi Tolomeo, and Summerlane Entertainment.
